About kava

We're Ivana&Marko. A couple that, while shooting weddings around the globe, somehow fell in love with specialty coffee. Back in 2018 we decided to rent out a tiny neglected space in Hvar, tear it apart, breathe new life into it and open our first shop in Hvar. We named it kava³⁷

Today, kava family is a sum of four parts - kava³⁷ in Hvar with kava² and kava^{RO} (our roastery) in Split together with new kava⁴ opened this summer in Vis.

The story of kava includes two people in love, their families, many friends with thoughtful ideas, a pinch of childhood memories, a very talented designer, and a spoonful of colour. All of this makes our family a true story. Our tiny cafes are simply named - kava - a Croatian word for coffee.

Our roastery serves kava as a multipurpose space. It's a production area where all of our coffees are brought to life. It's also our warehouse, education centre as well as our office. We use it for work and as our relaxation area. Whether it's a quick round of table tennis, barbecue or tasting of our new coffees - we love spending time there. Roastery is not a public space and has no working hours.

Focused on quality, hospitality while respecting everyone in the long coffee chain, kava is driven by the amazing community of people that appreciate what we do and how we do it. Our approach towards coffee, business and our clients is simple, honest and committed. We support small local businesses such as Karlo from Krostula making our croissants and cookies or Karolina from GVG ceramics who makes our beautiful cups. We have to mention our friends from GUUC making cold pressed natural juices from Neretva, team of friends from Ekipa kombucha, local beer, gin and much more.

Thank you for stopping by and supporting us. It means a world seeing many of you returning here daily and we promise to do our best to keep you happy here at kava.

Hugs from Ivana, Leila, Mare, Tobi, Nika, Petar, Marina, Ana, another Ana, Mia, Ena, Hrvoje, Marko and the rest of the kava family in Hvar, Split&Vis.
